

Making IT Easy is an engaging and upbeat 2 hour radio program 12-2pm every Saturday on HFM 107.3 - the Voice of your Community.

While aimed at seniors with great music from the 1950s to 1980s it suits everyone who wants to increase their technology skills.

- App of the day + game of the week
- Tech news
- The Innovation hub (future of tech)
- In the socials
- Tips and tricks for PC, iPad, iPhone and Android
- Something for nothin'
- Answering listener questions, and more.

Helping to connect the isolated, nurture the nervous, build confidence and entertain. We try to "Make IT Easy" and make lives easier through technology.
