

Podcasts and Online Learning

City of Bayswater

What is a Podcast?

Comes from the terms iPod and Broadcast

A podcast is a digital medium consisting of audio, video, PDF, or ePub which can be downloaded or streamed online to a computer or mobile device

Often podcasts are part of a series which you can subscribe to.

City of Bayswater

How to access Podcasts

Online Learning

Online learning is education that takes place over the Internet.

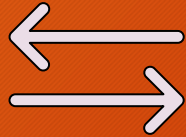

It is often referred to as “e- learning”

Content is often delivered as podcasts

Learning after school

What do you do if you need to know something?

- Call someone who might know
- Front up to a business that might know
- Look it up in a book

Research online

- Google
- Youtube
- User Forums

Reach out on Social Media

- Facebook, Messenger
- Pinterest etc...

Why Online?

- Study from home (or basically anywhere)
- More choices
- Flexible days, times (at your own pace)
- No travelling
- Fewer text books

- Interaction with social groups (globally)
- Teachers that are actually interesting and engaging
- Testing and evaluation as you go
- It works!

What do you need?

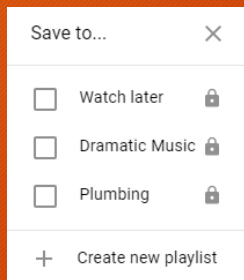

- Computer or smart device
 - Connection to Internet
 - Email Address
 - Payment method
-
- Motivation
 - Time
 - Patience

Adhoc How to's

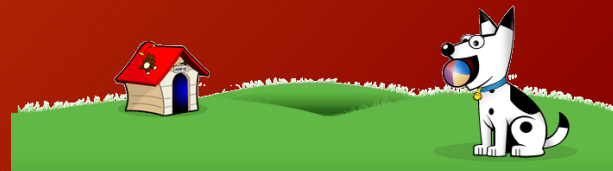

If you just need to find out something quickly

You Tube

Google

- Google
- Bing
- Duck Duck Go
- Dogpile
- Yippy
- Google Scholar
- Wikipedia
- Webopedia
- Yahoo

Keep up-to-date with things

A great way to be entertained while learning

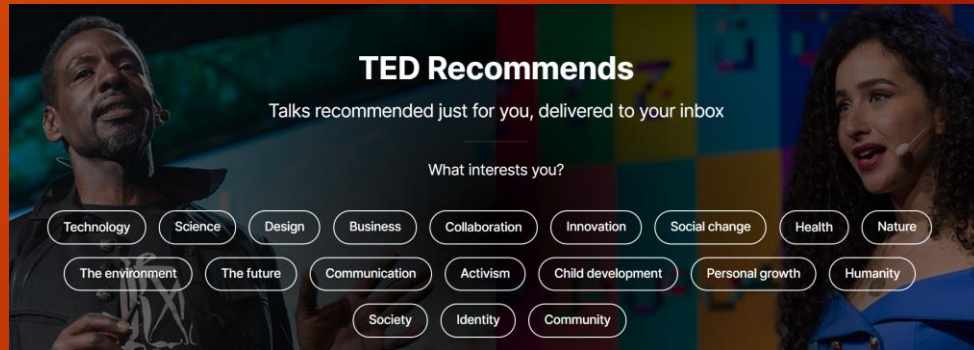

TED

Technology, Entertainment and Design

Nonprofit and devoted to spreading ideas, usually short, powerful talks

3100+ talks to stir your curiosity

More Formal Courses

There are many options (including free)

(accredited)

demy (free, discount coupons, instructor)

free trial, then monthly fee)

Khan Academy (free, non-profit, instructor)

iVersity
