Podcasts and Online Learning

Learning after school

What do you do if you need to know something?

- Call someone who might know
- Front up to a business that might know
- Look it up in a book

- Research online
 - Google
 - Youtube
 - User Forums
- Reach out on Social Media
 - Facebook, Messenger
 - Pinterest etc...

Why Online?

- Study from home (or basically anywhere)
- More choices
- Flexible days, times (at your own pace)
- No travelling
- Fewer text books

- Interaction with social groups (globally)
- Teachers that are actually interesting and engaging
- Testing and evaluation as you go
- It works!

What do you need?

- Computer or smart device
- Connection to Internet
- Email Address
- Payment method

Motivation

- Time
- Patience

Adhoc How to's

If you just need to find out something quickly

You Tube

Google

- Google
- Bing
- Duck Duck Go
- Dogpile
- Yippy
- Google Scholar
- Wikipedia
- Webopedia
- Yahoo

Keep up-to-date with things

A great way to be entertained while learning

TED

Seniors Tech Support

Help is on the way...
your question?
the thingamabob is in the whoos-a-me-whatsit, can the whoos-a-me-whatsit connect to the whatchamacallit, and then download a hoos-i-jig to interact with my doohickey?

ASK US NOW !

Magoo IT: helping Seniors with technology

Magoo IT is passionate about adult education and encouraging seniors to utilise, or embrace, technology to improve their lives. Tony has a unique ability to inspire confidence with a hands-on approach and encourages participants to bring in and use the devices during these sessions.
